

Biography of WILLIAM C. BAROTT

After leaving CHS, Bill went to the United States Military Academy at West Point. He asked and got assigned to the 82nd Air Borne Division. He served in Korea, and I met up with him in Japan when we both were returning to the U.S. When I lived in California, I dated his sister and had visited with him in North Carolina while I was training for the Air National Guard. Bill served two tours of duty in Viet Nam. On his second tour, he was killed. After I left California in 1957, I lost contact with his family.
